TREASURER'S REPORT 2007/2008

The accounts show the regional fund decreasing by £1198.26 to £20388.50 during 2007/2008. A breakdown of transactions associated with meetings (excluding IBC 2008 and Channel Network 2007) is shown below.

Once again we are very grateful to the Fisher Memorial Trust for their generous donation, used to assist young biometricians in attending IBC 2008. Eleven bursaries of £150 and two of £300 were awarded using the donation of £1500, the £300 available from last year and £450 from the regional fund. A donation of \$2000 (US dollars) from the regional fund was also made to support members from developing nations in attending IBC 2008.

The accounts for IBC 2008 have not yet been finalised, so the share of profit payable to the British & Irish region is not yet known. This will be reported in the 2008/2009 accounts.

Peter R Rigsby, 31st October 2008.
